"WATERSHED CONSCIOUSNESS AND BIOREGIONALISM IS NOT JUST ENVIRONMENTALISM,
NOT JUST A MEANS TOWARDS RESOLUTION OF SOCIAL AND ECONOMIC PROBLEMS,
BUT A MOVE TOWARDS RESOLVING BOTH NATURE AND SOCIETY WITH THE PRACTICE OF A
PROFOUND CITIZENSHIP IN BOTH THE NATURAL AND SOCIAL WORLDS.
IF THE GROUND CAN BE OUR COMMON GROUND, WE CAN BEGIN TO TALK TO EACH OTHER ONCE AGAIN."
~ GARY SNYDER

A close-up photograph of a person's hands cupped together, pouring water into a river. The water is clear and creates a small splash in the river. The background is a blurred riverbank with green foliage and rocks. The text "take me to the river." is overlaid on the left side of the image in a bold, blue, sans-serif font.

**take
me
to
the
river.**
