

7.0 EMERGENCY RESPONSE AND FLOOD WARNING

Each county has an emergency response plan on file, but according to the Nevada Attorney General’s ruling which cites NRS 239c, these plans are no longer deemed public documents due to homeland security concerns. First responders in appropriate agencies will receive a copy of a given county’s or city’s emergency response plan.

The following individuals are responsible for emergency response in the event of a flood. Information is also available on the CWSD website at www.cwsd.org and at www.floodsmart.gov.

7.1 FLOOD FORECAST AND WARNING SYSTEMS

According to the National Weather Service (NWS) there are three official river forecast points in the Carson River Watershed. There are five locations which NWS also monitors and will issue warnings for these locations if needed, but there are no official forecasts. Locations for all systems and stations are shown in Table 15.
