

Addressing Nevada Water Supply Challenges in the Carson River Watershed

Wednesday, October 14, 2020

- 8:30 AM **Welcome**
Carson Water Subconservancy District (CWSD) video
- 8:45 AM **Plans for Planning: Water Planning and Drought Resiliency Section Goals**
Bunny Bishop, Chief, Nevada Division of Water Resources (NV DWR), Water Planning & Drought Resiliency Section
- 9:10 AM **So you need a Water Conservation Plan? A look at NRS 540 Requirements**
Nicole Goehring, NV DWR Water Resource Specialist
- 9:30 AM **Overview of Surface and Groundwater Data for the Carson River Watershed**
Ed James, General Manager, CWSD
- 9:50 AM **Carson River Water Marketing Study: Findings and Next Steps**
Nick Charles, Lumos & Associates
- 10:20 AM **Break**
- 10:40 AM **"Stream capture under varying streamflow conditions, lessons learned from the Humboldt River capture study".**
Kip Allander, Steven Jepsen, and Kyle Davis, United States Geological Survey (USGS)
- 11:10 AM **Humboldt River Basin Conjunctive Management: Challenges and Statewide Implications**
Jon Benedict, NV DWR
- 11:40 AM **"Assessing Potential Effects of Changes in Water Use in the Middle Carson River Basin with a Numerical Groundwater-Flow Model for Eagle, Dayton, and Churchill Valleys, West-Central, Nevada"**
Eric Morway, USGS
- 12:10 PM **Lunch**

Wednesday, October 14, 2020

- 1:00 PM **Video: "I Am Carson River Watershed"**
- 1:05 PM **"Vulnerability and resilience of the Carson River water supply in response to warming temperatures and assessment of managed aquifer recharge scenarios"**
Eric Morway, USGS
- 1:35 PM **Quantifying Environmental Water Requirements for Groundwater Dependent Ecosystems**
Dr. Laurel Saito, TNC and Christine Albano, DRI
- 2:05 PM **NDWR's modernization of its management of Nevada's water resources**
Adam Sullivan & Micheline Fairbank, Deputy State Engineers
- 2:35 PM **Break**
- 2:50 PM **Round Table Discussion**
Jeff Fontaine, Central Nevada Regional Water Authority
Kyle Roerink, Great Basin Water Network
Doug Busselman, Nevada Farm Bureau Federation
Bruce Scott, Resource Concepts, Inc.
Adam Sullivan, NV DWR
Chris Manhannah, Mahannah & Associates, LLC
Chad Blanchard, Federal Water Master
- 4:20 PM **Closing Statements**
