Links regarding Risk Rating 2.0:

<https://www.fema.gov/flood-insurance/risk-rating>

Association of State Floodplain Managers (ASFPM) has created dashboards to help you visualize changes. I found the projected premium changes by zip code helpful since it provides an overview of NFIP policies, and percentages and amounts that have either increases or decreases.

For Example, in zip code 89423, 25.7% of policies will see a decrease; while 1.4% will see an increase...
