

A scenic landscape of rolling green hills under a cloudy sky, with trees in the foreground. The hills are covered in lush green vegetation, and the sky is filled with soft, white clouds. In the foreground, there are several trees with green leaves, some of which are partially obscuring the view of the hills. The overall atmosphere is peaceful and natural.

Sustainable Agriculture, Research and Education (SARE)

Chapter 1

SARE Structure

NIFA

Regional ACs

Host Institution

Chap 1

Chap 2

Chap 3

Funded Programs

Chap 1

- Develops and manages competitive research and extension education programs
- Mentors non-traditional researchers and educators in the “art” of proposal writing
- Generates interest in SARE grant programs among university and NGO research institutions

Chap 3

- Communications
 - Develop technical guides and handbooks from Chap 1 research
- Professional Development Program
 - Use output from Chap 1 to train Extension Educators

WESTERN SARE ONE OF FOUR

- Continental West
 - All 11 western states
- Pacific Islands
 - Hawaii
 - Guam
 - American Samoa
 - Federates States of Micronesia

Funding Opportunities

Program	Open Date	Closing Date
Farmer/Rancher	02/17/2023	10/30/2023
Professional + Producer	04/16/2023	10/31/2023
Research and Education Pre-proposals	03/13/2023	05/23/2023
Sabbatical	01/22/2023	11/22/2023
Research and Education Invited Proposals	08/14/2023	11/05/2023
Graduate Students	09/05/2023	12/05/2023
PDP & RGR (Chap 3)	05/01/2023	11/06/2023

Scientists, Producers and Land Managers working together! To Solve Local Problems
