# Education department Student services

## Elementary, Middle and High school supports

- ❖ Students get behavior and crisis intervention support and education assistance from education staff during school hours and in the afterschool programs at Stewart ,Carson and Dresslerville.
- ❖ Staff communicate with and meet regularly with administration and deans regarding student behavior, truancy and progress toward graduation.
- ❖ Grades and attendance is monitored using Infinite campus , a system our MOU allows us access to in the school districts.
- ❖ Truancy is emailed daily all absences of student in our program
- ❖ The department collects monthly reports on students per grade and per site
- ❖ Each staff member has been trained by the Healing center staff to be Behavior Intervention specialist through he RLEIAS program.
- ❖ The Pre-College advisor works with high school students on preparation for graduation , supporting remaining on track or in credit recovery if needed, collects data on students regarding college /post high school interested to better tailor support and set up college or tech program tours.

# Collaboration with other departments Environmental and Juvenile Probation

## Meeks Bay Fish Release And

## Cross Country Skiing and Snowshoeing with Tahoe Backcountry Alliance

- Students were able to participate in the historical fish release at Meeks Bay
- Students took pride that they were able to help reintroduce the Native Lahontan Cutthroat Trout back into Lake Tahoe
- Students learned about their own environmental impact

- Students learned about the history of snowshoeing and cross country skiing
- Students learned interesting facts about The Washoe Tribe and snowshoeing.
- Students were able to explore the area around Gardnerville

# Educational Activities

Students participate in a variety of educational activities every school break and over the summer break

- Fish Hatchery Tour
- Planting with Environmental department
- Camp up at Meek's Bay
- Recreation programs through the Healing Center

# Summer plans for Educational support

- ▶ Summer plans-
- ▶ Our goal is to keep as many students as possible from having to attend summer school.
- ▶ The leads and the director have been discussing a summer extension program for the students to promote better academics for the following school year.
- ▶ Support recreation and summer foods to provide staffing for programs ,outings and food distribution to sites
