Meeting Purpose:

The Agricultural Producers Working Group's (APWG) purpose is to assist, guide, improve and implement watershed-wide solutions that embody the Carson River Coalition's Watershed Vision Statement: "To achieve healthy sustainable watersheds within the entire Carson River Basin; to achieve improved watershed conditions, so all lands and waterways (surface and underground) safely receive, store, and release clean water for the good of all peoples, environments and natural resources of the Carson River Basin; to achieve this vision through community led and private/public partnerships for implementation of local and basin wide plans and projects." See [CRC Agricultural Producers Working Group Foundational Document](#).
